Consumable Approval Management

AIWT/WWP /APPROVAL/ 014

August 08, 2014.

M/s Wire & Wire Products,
21-J2, Industrial Estate,
Ambattur,
Chennai - 600 098.

Sub: Approval of ER 70S-6 Filler wire for use in GMAW Process.

The following product of your formulate is approved by AIWT (Advance Institute of Welding Technology) Chennai, as per following details.

Product name: MIG W7 – ER 70S-6 MIG/MAG wire (brand ESSARC) for use in
Structural Fabrication.

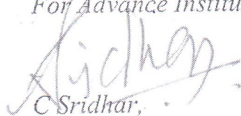

Your supplier code: 014.

The above approval is based up on its meeting the Technical Specifications of
ASME Sec. II part 'C' SFA 5.18 ER 70S-6.

The approval is applicable as long as there are no field complaints and positive
feedback on its performance from concerned end users every year.

This is for your kind information and records.

For Advance Institute of Welding Technology, Chennai.

C Sridhar,
Director-Technical.
